

ZLP Biographies

Leadership team

Lucia Vambe - Founder and CEO of ZLP

Lucia was born in Zimbabwe and came to the United Kingdom over 30 years ago where she obtained professional qualifications in Mental Health Nursing as well as Education and Training. Currently, Lucia works for East London NHS Foundation Trust, UK as Corporate Matron for Education and Development and in her role, she also links with University of Bedfordshire where she supports student nurses learning and assessments. Previously, Lucia held different roles within Essex Partnership University NHS Trust, UK where she worked for 20 years with vast experience in mental health nursing, writing clinical policies, leading on Trust-wide implementation of clinical practice improvement programmes including delivery of mandatory clinical risk training and suicide prevention training. She also has experience in serious investigations and family liaison duties.

Lucia is a Trustee for Zimbabwe Diaspora Health Alliance, UK. She is also a co-founder and trustee of the Zimbabwe Midwives and Nurses Association UK.

Obi McKay – Deputy CEO of ZLP

Obi has been a Registered General Nurse (Level 1) for 40 years. Also, a BSc qualified Community Practice Specialist Teacher with twelve years School Nursing and Children’s Health Service experience with a Masters Qualification (MSc) in Public health practice.

From 2014 she worked as an Associate Director for mental health services with vast experience in bidding for funding and managing large projects, budgets, and services. Post retirement from January 2020 – February 2021 Obi supported a new child health Trust in South London as a Clinical Director to strategically develop their full governance agenda. Embedding national guidance to enable clinical effectiveness and safe practice.

Since 2022 on an ad hoc basis, she has supported funding applicants through CWB in an advisory capacity. She has also carried out stakeholder surveys with recommendations for CWB.

Muriel Gutu – Deputy CEO of ZLP

Muriel holds an MSc in Public health, BA, Graduate certificate in education, Higher diploma in Mental health, Nurse prescribing certificate and Leadership certificate. She started her career in the Zimbabwe ministry of education and has been working as a nurse in the UK for over 20 years.

In her nursing career she specialised in mental health and substance misuse, and has worked in various NHS Trusts and voluntary organisations. Currently, she is the Group Clinical Lead for a Charitable organisation that works with people who have mental and substance misuse problems. She is also a Trustee for UK Hope World Wide, member and project lead for Zimbabwe Life Project charity.
